

MSSC membership meeting sponsorships

The MSSC typically holds three membership meetings each year (plus an annual meeting in December). The meetings are a great way for sponsors to meet and interact with physicians.

Membership meeting sponsorships are \$1,000. Sponsors can have up to three representatives attend the event. Sponsor names are listed on the meeting invitation. Their logos are included in a presentation slide or display at the meeting, and the sponsors are recognized from the podium by the MSSC president. Sponsors are also acknowledged on social media.
